Dining

Michelin Star-level in an elegant dining room or one of two carefree al fresco cafés.

The Yacht Club Restaurant: Serving modern and classic specialties as well as bespoke tasting menus imagined by Crystal’s highly awarded chefs, all created from the finest and freshest local ingredients available; serving dinner. The outdoor extension, Patio Café offers freshly prepared and where possible, regionally inspired, presentations of small plates, creative salads, gourmet charcuterie, cheeses and pastries; serving breakfast and lunch.

The Grill: Features a menu of burgers, wraps and – location permitting – “global street food” served tapas-style to reflect the destinations visited.

The Pantry: The “go-to” self-service bistro and wine bar open 24 hours a day with a curated selection of coffees, vintages, light snacks and freshly baked pastries; the perfect indulgence to satisfy any craving day or night.

Bars and Lounges: Welcoming, convivial spaces of elegant comfort, from the al fresco Sunset Bar and Grill with its aft location on the ship’s top deck and the Cove, the yacht’s premier gathering place to enjoy a drink, dance and share stories of the day.
